MISSION
The Department of Psychiatry and Behavioral Sciences at the University of Washington is dedicated to improving the health of the public through excellent clinical care, education and research. As the only academic psychiatry department serving the WWAMI region of Washington, Wyoming, Alaska, Montana and Idaho, we partner with healthcare organizations and providers throughout the region to reach patients in need and to train the next generation of mental health professionals for the Pacific Northwest and beyond.

BY THE NUMBERS
• 260 Regular Faculty
• 338 Courtesy Faculty
• 82 Psychiatry Residents
• 14 Psychology Residents
• 315 Medical Students
• 230 Staff
• $95 million annual budget
• $55 million in grants and contracts/year

TRAINING PROGRAM SITES
We train psychiatrists, psychologists and medical students across five states. Our psychiatry residency program is the largest in the United States.
